Premier Estate Planning is a Florida firm focused on wills, revocable trusts, probate, and succession planning. We work with families and business owners across the Tampa Bay area.

What we do

We focus on estate planning rather than spreading across every area of law. In practice that means four things we do often and do well:

- **Wills & revocable trusts.** The foundation of every plan, drafted to Florida law, with probate avoidance, guardianship for minor children, and homestead protection.
- **Probate & trust administration.** Filings, deadlines, creditor notices, and distributions, handled with care during a hard time.
- **Business succession.** Buy-sell agreements, entity restructuring, and dynasty trusts for closely held Florida businesses.
- **Care & incapacity planning.** Powers of attorney, advance directives, and guardianship work, prepared before you need them.

How we charge

Every engagement is quoted as a single, flat fee, agreed in writing before any work begins. No hourly meter, no surprise invoices. After a free consultation, you get a clear scope and a fixed price, so the decision to move ahead is an easy one.

The attorney whose name is on the engagement letter should be the one doing the work.

Where we fit

Estate planning is the ultimate financial-planning exercise, and it works best as a team effort. We coordinate readily with your financial advisor, CPA, and insurance professional, so the plan we draft fits the larger strategy you are already building. The documents are drafted by an attorney, reviewed with you in plain language, and executed in our office.

THE ENGAGEMENT, BRIEFLY

Three meetings, roughly two weeks, one flat fee. A free consultation, a drafting and design stage, and an in-office signing, after which you leave with a bound copy of your plan. See “How Our Engagement Works” for the full walk-through.
